

Discover what you know about LEADERSHIP!!!

**BOEING LEADS... do you?**  
**Be our guest, use this Coupon, and take the**  
**BOEING LEADS Assessment**

*"It really tests your knowledge. The results...you're going find something out about yourself. The best thing is the development plan it generates for you. You can tailor this plan and document it directly in your Performance Management Plan. As a senior manager, I plan to use this assessment with all my managers to raise the leadership bar in our organization."*

—Mike Peterson, Senior Manager Product Support, Boeing Fort Walton Beach, Florida
