

Harbor-UCLA Chapter of the National Management Association “Developing the Leader in You”

President's Message

“Appreciation is a wonderful thing. It makes what is excellent in others belong to us as well.”

Voltaire

As we come to the close of the 2007-2008 NMA year, we would like to extend a special thanks to all of the NMA membership and especially to the NMA Board of Directors for your commitment and support for the last two years. We genuinely appreciate each and every one of you.

These past couple of years have been truly successful for our NMA Chapter. We have:

- sustained good numbers with our membership count,
- produced a variety of popular training programs and professional development courses,
- awarded the Silver Knight of Management Award to two prominent individuals on campus for their extraordinary leadership,
- partnered with the Harbor-UCLA Blood Bank to coordinate a noteworthy blood drive, and
- continued to succeed in the area of fund raising to sustain our chapter.

What a great team we have had!

We also wish to extend best wishes and our support to Bill Warren, our new NMA President for 2008-09. We are confident that Bill will do an outstanding job in leading the Chapter for the upcoming year.

With appreciation,

Cynthia M. Oliver & Calvin Kwan
Co-Presidents
